Supervises:	N/A
Classification:	Exempt
Effective Date:	December 18, 2018
Revised Date:	December 18, 2018

PERFORMANCE EXPECTATIONS

In performance of their respective tasks and duties all employees of the Fort Defiance Indian Hospital Board, Inc. (FDIHB) are expected to conform to the following:

- Uphold all principles of confidentiality and patient care to the fullest extent.
- Adhere to all professional and ethical behavior standards of the healthcare industry.
- Interact in an honest, trustworthy and dependable manner with patients, employees and vendors.
- Possess cultural awareness and sensitivity.
- Maintain a current insurable driver's license.

POSITION PURPOSE

Serves as a Staff Physician for Primary Care at Nahata'Dziil Health Center which involves performance of comprehensive health and medical care services to our chronic and same-day visit patients.

ESSENTIAL DUTIES, FUNCTIONS & RESPONSIBILITIES

- Within the specialty area (Family Medicine or Internal Medicine), assumes responsibility for the diagnosis, treatment, prevention, and maintenance therapy and rehabilitation of patients of all ages (based on respective discipline).
- Interviews and examines patients, reviews past medical history, performs admission history and physical; requests and/or performs and follows-up with diagnostic tests and examinations deemed necessary to obtain all possible information related to each case.
- Makes preliminary diagnosis, directs, prescribes, provides treatment, and arranges for specialized care, patient referrals, or transfers to higher level of care as required.
- Bases decisions upon information obtained, professional medical knowledge and skills and prescribed policies and procedures.
- Makes notes of observations to be incorporated into clinical records.
- Provides emergency care as required. Provides definitive management in all medical categories or cases that do not

Position Description

require referral. Gives total patient care including preventing health maintenance, early diagnosis, treatment and follow up services to patients under his/her care. Conducts outpatient clinics making observations appropriate to the outpatient's underlying disease and treatment plan, including current symptoms. Reviews the patient's medications, diet, therapy course, adherence to management plan and patient observations. Modifies regimen as indicated. Instructs and counsels patients and family members as required. Includes consultation with hospitalist/emergency department staff regarding inpatient admissions.

- Makes appropriate referrals and obtains appropriate consultation after primary evaluation and documentation have been completed.
- Assures preparation of appropriate medical records for all patients seen to assure the accumulation and organization of all pertinent data needed to provide comprehensive medical care. Dictates or types clinical reports summaries and correspondence concerning patients under provider's care in a timely manner (daily completion of inpatient progress notes).
- Is expected to work in a courteous and professional manner with staff and colleagues. Works closely with allied health professionals (e.g., Community Health Nurses, Social Workers, Health Educators, etc.), to utilize and coordinate the services of other health care professionals in the management of the family's medical, psychological and social problems. Incumbent is considered a senior clinical specialist in Family Medicine/Internal Medicine, and will assume appropriate administrative duties as assigned by supervising medical staff.
- Responsible for medical student, interns, or residents assigned for training in this specialty.
- Serves as a consultant to other medical staff regarding complicated internal medicine and/or obstetric patients and/or pediatric patients based on specialty training.
- Works under the Clinical Director who provides general professional and administrative supervision. Incumbent works with considerable independence during course of patient care. Work performance is reviewed for conformance to policies and practices relating to health care delivery.
- Performs other duties as assigned.

WORK ENVIRONMENT

- Work environment: The work environment characteristics described here are representative of those an employee encounters while performing the primary functions of this job. Normal office conditions exist, and the noise level in the work environment can vary from low to moderate.
- Physical demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the primary functions of this job. While performing the duties of this job, the employee may be required to frequently stand, walk, sit, bend, twist, talk and hear. There may be prolonged periods of sitting, keyboarding, reading, as well as driving or riding in transport vehicles. The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include reading, distance, computer, and color vision. Talking and hearing are essential to communicate with patients, vendors and staff.
- Mental demands: There are a number of deadlines associated with this position. The employee must also multi-task and interact with a wider variety of people on various and, at times, complicated issues.

NAVAJO/INDIAN PREFERENCE

FDIHB, Inc. is located within the Navajo Nation and, in accordance with Navajo Nation law, has implemented a Navajo/Indian Preference in Employment Policy. Pursuant to this Policy, applicants who meet the minimum qualifications for this position and who are enrolled members of the Navajo Nation will be given primary preference in hiring and employment for this position and members of other federally-recognized Indian tribes will be given secondary preference. Other candidates will be considered only after all candidates entitled to primary or secondary preference have been fully considered.

OTHER

All employees must uphold all principles of confidentiality and patient care to the fullest extent. This position has access to sensitive information and a breach of these principles will be grounds for immediate termination.
